INTRODUCTION

This booklet is presented as a means of helping ensure the 2014 convention in Columbus, OH, proceeds smoothly for you and your delegation, as well as for the speakers, candidates, officers, volunteers and assistants. It attempts to convey:

- Delegation and delegation chairs' responsibilities
- Convention structure and organization
- Information about delegates, delegations, and regions
- Special convention procedures

It is important we convey the best image possible to the country through the assembled media, so let's put our best foot forward.

Accordingly, please ensure that you and your delegation understand the main points and procedures presented within this document.

*ALTHOUGH EVERY EFFORT HAS BEEN MADE TO ACCURATELY
REFLECT THE BYLAWS AND CONVENTION RULES, **THIS DOCUMENT**
IS NOT THE FINAL AUTHORITY FOR RULES DISPUTES.*

RESPONSIBILITIES OF THE DELEGATION CHAIR

- Submit initial delegation list to the Credentials Committee by the deadline, one month before the convention. The Credentials Committee has prepared a separate instruction document for delegation chairs about how to enter your delegation list into their credentialing database. The convention starts June 27, 2014, making the deadline May 27, 2014. Failure to provide a delegate list by the deadline shall cause no delegation to be registered from your affiliate. The list may be amended through the close of the Credentials Committee meeting preceding the convention. (Bylaws Article 11.5.c and 11.5.d)
- Submit to the Secretary (secretary@lp.org) and Credentials Committee (credentials@lp.org) a copy of your affiliate party's rules (if any) governing alternates substituting for delegates. (Bylaws Article 11.7.b) These rules may be contained in your bylaws. If your affiliate has not adopted any such rules, or if you do not provide a copy of your rules, the alternate substitution for your affiliate will be governed by LP Bylaws Article 11.7.c and 11.7.d. Those default rules are that if a delegate has not yet arrived and registered with the Credentials Committee, an alternate from that affiliate will be chosen by drawing lots to fill in until the delegate arrives. If a delegate has arrived and registered, but is temporarily absent from the convention floor, an alternate may temporarily vote in place of that delegate only with the written consent of that delegate.

- Turn in your region formation paperwork by the deadline. See the later section titled “Regions of the National Committee”.
- Convention Rule 3.1 requires that the Secretary (secretary@lp.org) be notified if an affiliate's delegation has chosen someone besides the affiliate chair to serve as the delegation chair.
- During the convention, ensure your delegation submits written votes to the Secretary whenever written votes are required.
- Ensure your delegation understands and abides by the Party Bylaws and Convention Rules. See the later “Voting Rules” section.
- During the convention, ensure your delegation submits motions to the Secretary legibly in writing on the form provided by the Secretary before seeking recognition to address the convention.
- Be prepared to participate in delegation-roll-call vote reporting (see later section titled “Roll Call Votes by Delegation”)

CONVENTION STRUCTURE

Order of Business

The order of business conducted at this convention is prescribed by Convention Rule 1 to be as follows:

1. Call to order
2. Credentials Committee report
3. Adoption of agenda
4. Treasurer's report
5. Bylaws and Rules Committee report
6. Platform Committee report
7. Nomination of Party candidates for President and Vice-President (in appropriate years)
8. Election of Party Officers and at-large members of the National Committee
9. Election of Judicial Committee
10. Resolutions
11. Other business

Secretary's Table

There is typically an extra table beside the stage to:

- Distribute motion, region formation, and other forms
- Receive written motions, region formation forms, and other items required to be submitted to the Secretary
- Create and distribute ballots for state-by-state reporting on presidential/vice-presidential nominations and elections to party office
- Get written messages to the people on stage

Every year the Secretary needs volunteers to help with the convention business. State Chairs are requested to recommend qualified people for this task. Please contact Secretary David Blau at secretary@lp.org with the names of recommended volunteers.

Prospective helpers should have the following experience:

- Be familiar with the Bylaws
- Be familiar with the Delegation Chair's Manual
- Have general computer skills to assist in quickly locating files needed by the Secretary
- Be proficient with MS Word (including Mail Merge) and MS Excel
- Be a reliable and trustworthy party member

Being such a volunteer will not preclude the opportunity to be a voting, credentialed delegate.

Updating Delegate Counts

The Bylaws in Article 11.9 state:

"A quorum shall consist of 40% of the total number of delegates registered in attendance at the Convention."

Frequently at our conventions, delegates start departing before the convention is over, and historically that has created difficulties achieving quorum on the final day to complete all of the necessary business of party elections. On the final day of the 2004 convention, it was necessary to recess for 30 minutes to round up delegates remaining in the hotel to come into the convention hall, and after that effort we barely met quorum to finish electing our party officers.

You can assist in a couple of ways. First, encourage your delegates to stay through the end of the business agenda. Second, pay attention to your delegation on the convention floor, and as you hear delegates departing, remind them to check out with the Credentials Committee. When the Credentials Committee can document delegate departures, they can decrement the registration totals accordingly, and the remaining convention attendees are more likely to meet the quorum requirements so that business can be completed.

Convention Hall Seating

Convention Rule 3.2 requires that each state affiliate's delegation sit together in the convention hall. This makes it more efficient for state chairs to conduct delegation votes and also for the convention to process any challenges to a delegation vote by polling the individual members of that delegation. Signage in the convention hall will designate where each state is to sit.

DELEGATES AND ALTERNATES

Delegate Allocations

LP Bylaws Article 11.4 establishes the methodology for calculating the number of delegates your affiliate is entitled to. It states:

"Affiliate Party Delegate Entitlements:

Each affiliate party shall be entitled to send delegates to each Regular Convention on the following basis:

- a. One delegate for each 0.14 percent, or fraction thereof, of the total Party sustaining membership in that affiliate; provided that at least one such delegate must be a resident of that State or District.*
- b. One delegate for each 0.35 percent, or fraction thereof, of the votes cast nationwide for the Libertarian Party candidate in the most recent presidential election, cast in that affiliate's state."*

Since there are approximately 714 slices of a whole at 0.14% each and 286 at 0.35% each, a Libertarian Party convention will have slots for at least 1000 delegates. Since states are credited for 'fractions thereof', the result is approximately 1051 possible delegates.

See the Delegate Allocation Table at the end of this document for the delegate allocations for each affiliate in 2014.

Sustaining Members Counted in Delegate Apportionment

Bylaws Article 5.3 defines a sustaining member:

"Sustaining member" is any Party member who has given at least \$25 to the Party in the prior twelve months, or who is a life member.

Bylaws Article 5.5 directs us to also include as sustaining members:

"Higher levels of contribution by or on behalf of a Party member qualify as sustaining member status for any provision of these Bylaws."

Bylaws Article 5.6 directs us to count sustaining members for delegate allocation:

“Only sustaining members shall be counted for delegate apportionment and National Committee representation.”

Alternate Allocations

Each state may also name alternates who can fill in for a delegate in accordance with the conditions and procedures in LP Bylaws Article 11.7. The number of alternates your state can name is determined by LP Bylaws Article 11.5.c, which states:

“The number of alternates' names submitted shall not exceed the greater of 50 or the number of delegates allocated.”

So if you have fewer than 50 delegates, you may name up to 50 alternates. If you have more than 50 delegates, you may name as many alternates as you have delegates.

Who Can Be a Delegate?

Bylaws Article 11.3.a specifies who can be a delegate:

“Delegates shall be required to be members of either the Party or an affiliate party. At all Regular Conventions delegates shall be those so accredited who have registered at the Convention. At all Non-Regular Conventions, any person who wishes to attend may do so.”

Membership in the Party is defined by Bylaws Article 5.1 which states:

“Members of the Party shall be those persons who have certified in writing that they oppose the initiation of force to achieve political or social goals.”

How Are Delegates Chosen?

Bylaws Article 11.3.b, specifies how delegates are chosen:

“Any federal or state law to the contrary notwithstanding, delegates to a Regular Convention shall be selected by a method adopted by each affiliate party; provided however, that only members of the Party as defined in these Bylaws, or members of the affiliate party as defined in the constitution or bylaws of such affiliate party, shall be eligible to vote for the selection of delegates to a Regular Convention.”

In other words, affiliates choose their delegates provided that the choosing is done by only national party or affiliate party members.

Credentialing Delegates and Alternates

See Bylaws Article 11.5.b – 11.5.e in addition to the comments below.

By one month before the convention, your delegation must have submitted a delegate listing to the Credentials Committee by entering at least one delegate name and address into the Credentials Committee database. The Credentials Committee will provide you with a login username/password and a separate instruction document explaining how to do this. You may amend your list, including adding delegates, by making your changes directly in the Credentials Committee database. However, you have the amendment power only until the final Credentials Committee meeting before the convention begins. (This meeting usually happens very early in the morning on the first day of the convention.)

Once the convention begins, you may submit requested delegate list changes to the Credentials Committee, but you must then earn permission of the convention delegates to approve those changes to the list of delegates. The Credentials Committee reports to the convention at the beginning of each meeting any proposed changes to the delegate lists. Proposed changes must then be approved by the convention by a 7/8ths vote.

The substitution of alternates for delegates is described by Bylaws Article 11.7, which states:

"Voting Eligibility:

- a. Use of the unit rule or unit voting is prohibited at national conventions.*
- b. Duly selected alternates may be freely substituted for any members of their delegation who are temporarily or permanently absent from the floor, provided the procedure has been clearly specified by the affiliate party in advance of the Convention, and the Secretary has been provided with lists of the affiliate party's delegates and alternates as well as a copy of the affiliate party's rules governing substitutions.*
- c. An alternate, upon certification by the Secretary, may function as a delegate whenever a delegate of the same state has not been registered in attendance. This status shall continue until the absent delegate registers in attendance. If the affiliate party has made no provision for filling delegate vacancies, the alternate substitute shall be decided by drawing lots.*
- d. If the affiliate party has made no other provision, an alternate may temporarily vote in place of a delegate from the same state while he or she has the written consent of that delegate; however, no delegate may cast more than one vote on a question.*
- e. All members must wear the identification badge issued upon registration in order to be admitted to the Convention hall."*

DELEGATION VOTING

Most voting during a convention is done by a voice vote, and if the outcome is not clear, delegates may be asked to vote by standing or even by individually counting off. A few votes (election of our presidential/vice-presidential nominees and elections to party office) are taken with a written ballot turned in by each affiliate's delegation chair.

When these written votes are required, the Secretary will make available a form for your delegation. See a sample ballot at the end of this document.

Within your delegation, it is your responsibility to oversee your delegates casting their votes, ensure the integrity of the process, see that it is done in accordance with the rules, and report your state's results. The form will have a place for you to report vote totals from your delegation, and it will have a place for you as delegation chair to sign and date. Before you turn in your form, make a copy of the numbers for yourself so that if the Secretary's tally spreadsheet is projected overhead for review, you can verify your state's numbers were recorded accurately.

When recording your delegation's votes, do not differentiate between votes cast by delegates versus votes cast by alternates.

The form will show both the maximum number of delegates your affiliate is entitled to send to the convention, and it will show the current count of your affiliate's delegates registered as being in attendance. Your vote total cannot exceed either of these numbers, nor may it exceed the number of delegates your affiliate has present on the convention floor at the time of the vote.

Voting Rules

It cannot be over-emphasized that your delegation must abide by the rules of delegation voting:

- One person, one vote
- No unit voting (casting all your affiliate votes according to a majority vote of your affiliates' delegates) – Bylaws Article 11.7.a
- No proxy voting (RONR, 11th ed., p. 423, 428-9)
- No absentee voting (RONR, 11th ed., p. 263, 423)
- **Votes are only permitted by credentialed delegates physically present in the room at the time of the vote. Even if your affiliate is allocated up to 20 delegates, and 15 attended and were credentialed at the convention, but only 8 are in the room at the time of the vote, you may only submit 8 votes. Even if the 7 people who are out of the room told a friend how they wanted to vote, you may not submit votes for them.**

Roll Call Votes by Delegation

Convention Rules provide that votes for President, Vice-President, and the first round of votes for LNC Chair and LNC At-Large members will include announcements by delegation chairs of

their affiliate's vote totals in addition to the written ballots submitted to the Secretary. Convention Rules 7.3, 7.4, 8.1.c and 8.2.c state that the order shall be alphabetical by state starting with a randomly selected delegation.

For those who haven't been to presidential conventions before, many state chairs prepare a **BRIEF** (a couple of phrases) interesting factoid or humorous reference to promote their state when they announce their affiliate's vote totals. For instance, "From a state with no income tax, and where, unlike Congress, the drunks gamble with their own money, the state of Nevada proudly casts its 18 votes as follows:..."

This procedure is quite time consuming, so the convention often opts to suspend this rule for everything except the first ballot for the Presidential nominee.

Subsequent Ballots

If no candidate attains a majority on the first ballot for National Committee Chair, Vice-Chair, Secretary or Treasurer, Convention Rule 8.1.d prescribes that the candidate with the fewest votes on the latest ballot shall be struck from subsequent ballots.

According to Convention Rule 8.2.d and Rule 9, in the case of ties affecting the outcome of elections of five At-Large members and seven Judicial Committee members, another ballot for the remaining offices shall be held with each delegate allowed to cast as many votes as there are remaining offices to fill. Under the current rules, majorities are not required in At-Large members or Judicial Committee members. Rather the candidates receiving the highest vote totals are elected.

By the way, if "None of the Above" wins a majority, then the position is considered vacant, and none of the candidates get to fulfill the role this term. (LP Bylaws Article 11.8)

PLATFORM TOKENS

The Platform Committee will present proposals for making amendments to our existing platform, but Convention Rule 5.1 provides a special procedure by which delegates have the option to delete up to 5 planks from the existing platform:

- a. The Credentials Committee shall issue five signature tokens to each delegate.*
- b. Tokens shall only be issued to delegates. Delegates are responsible for transferring possession of unused tokens to their alternates if necessary.*
- c. Each delegate may cast each token as a recommendation for deletion of one plank by noting on the token the plank to be deleted and signing the token.*
- d. A delegate may cumulate recommendations by casting any number of tokens for deletion of the same plank.*
- e. Delegates will be given until one hour prior to the scheduled start of the platform report to mark their tokens and deliver them to the Secretary.*

- f. *Prior to the scheduled start of the platform report, the Secretary shall review the tokens received and tabulate and report the tokens submitted for deletion of each plank.*
- g. *As its first item of platform business, the convention shall vote whether to delete each of those planks that received a number of tokens for deletion equal to 20% or more of the number of credentialed delegates. Such votes shall be cast without amendment or debate.*

Tokens in the past have looked similar to the image below and each delegate will receive five of them from the Credentials Committee.

DELEGATE (SIGNATURE REQUIRED): _____		

Any platform plank that reaches the threshold – a number of tokens equivalent to 20% of credentialed delegates – will be brought before the convention for a straight up/down vote at the beginning of the Platform Committee report.

Platform token collection begins after adoption of the agenda (order of business item #3) and ends one hour before the Platform Committee report (order of business item #6).

Also note that each delegate has five platform tokens and that the threshold to recall a platform plank for an up/down vote is 20%. Thus it follows that 4% of delegates casting all 5 of their tokens on a single plank could bring that plank up for a deletion vote.

PRE-PRINTED FORM FOR MAKING MOTIONS FROM THE CONVENTION FLOOR

Convention Rule 2.2 authorizes the Chair to require “any motion offered from the Convention floor to be in writing, signed by the mover and submitted to the Secretary.” Just as in prior years, you should expect the Chair to make use of this in 2014. In particular, this is typically applied to

main motions that are to be displayed on the overhead screens. This rule is usually not enforced for very simple or secondary or incidental motions (e.g., move to recess/adjourn/point of order).

The Secretary will provide a standard form for submitting motions. See an example at the end of this document. Using this form will help:

- Prepare video displays with the motion's text
- Eliminate delays, so the convention does not have to wait while motions are crafted and edited on the fly
- Later reconstruct convention proceedings for the minutes
- Ensure motions are presented in the appropriate order

Make sure to write legibly, else the Convention has to wait while sloppy writing is clarified.

REGIONS OF THE NATIONAL COMMITTEE

LP Bylaws Article 8.2.c describes how your affiliate party can band together with others to form a "representative region" to gain representation on the Libertarian National Committee.

This bylaw provision states:

“Any affiliate party with 10% or more of the total national party sustaining membership within affiliate parties (as determined for delegate allocation) shall be entitled to one National Committee representative and one alternate for each 10% of national sustaining membership. Affiliate parties may, by mutual consent, band together to form "representative regions," and each such "region" with an aggregate national party sustaining membership of 10% or more shall be entitled to one National Committee representative and one alternate for each 10% of national party sustaining membership. "Representative regions" may be formed or dissolved once every two years during a period beginning 90 days before the beginning of and ending on the second day of the National Convention, and notice of new formations or dissolutions must be given in writing to the national Secretary prior to the close of the Convention at which they take place.”

See the Delegate Allocations Table at the end of this document for your affiliate's sustaining membership as determined for delegate allocation as well as the percentage of national membership that it represents.

The region formation period begins 90 days before the start of the convention (March 29, 2014) and ends the second day of the convention (June 28, 2014).

Use the form provided at the end of this document to report regional formations to the Secretary.

Some regions opt to use regional formation agreements to document mutually agreed upon rules for their region before any future disputes arise. A recommended basic regional agreement is

included at the end of this document, though you are not required to use this particular one or any one at all.

Below are two default rules that are in effect for your region unless you have a regional formation agreement stating otherwise.

LP Bylaws Article 8.8: *“A National Committee Regional Representative may be removed and replaced only by the act of the affiliate parties which constitute the subject region. The voting procedure for the removal and replacement of regional representatives shall be determined by the regions. In the absence of any such procedures, a majority vote of the state chairs shall prevail.”*

Convention Rule 8.4: *“In the event a region has not otherwise provided for the election of its regional representative to the National Committee then the delegates from the region shall elect its regional representative, provided there are at least five delegates present. Each Region's delegates may elect their representative in whatever manner they choose, provided all delegates present from that region are given equal voice in the selection.”*

If your region is large enough to have more than one LNC alternate, your region should also agree to and document a ranking of those alternates or some clear procedure whereby the LNC Secretary can determine the ranking. The ranking is relevant for application of Bylaw Article 8.10 which states:

“The National Committee may, without meeting together, transact business by electronic mail. The Secretary shall send out electronic mail ballots on any question submitted by the Chair or cosponsored by at least 1/5 of the members of the Committee. Fifteen days shall be allowed for the return of the votes cast, by electronic mail, to the Secretary. Votes from alternate regional representatives will be counted, in accordance with the ranking procedure of the region, only if the regional representative fails to respond to the ballot. The number of votes required for passage of any motion shall be the same as that required during a meeting. The Secretary shall preserve all such votes until the next meeting of the National Committee, at which meeting the Committee shall order the disposition of such votes.”

CONVENTION COMMITTEES

There are three convention committees according to LP Bylaws Article 12. These committees include the Bylaws and Rules Committee, the Platform Committee and the Credentials Committee.

Bylaws and Rules Committee

The Bylaws and Rules Committee makes recommendations to the delegates for amendments to our Bylaws and to our Convention Rules. Then the delegates vote whether or not to adopt those recommendations.

The current LP Bylaws are online at www.lp.org/bylaws

The committee's report of recommended changes this year is online at:
www.lp.org/files/2014_LP_Bylaws_and_Rules_Committee_Report.pdf

LP Bylaws Article 12.2 states: "*The Bylaws and Rules Committee shall consist of ten Party members appointed by the National Committee no later than three months before a Regular Convention. No more than five of these members shall be members of the current National Committee.*"

The LNC selected the following Bylaws and Rules Committee members for 2014:

1. Chuck Moulton, Chair
2. Mark Hinkle
3. Rob Latham
4. Alicia Mattson

The current LP Platform is online at: www.lp.org/platform

The committee's report of recommended changes this year is online at: www.lp.org/files/2014_LP_Platform_Committee_Report.pdf

LP Bylaws Article 12.3 states:

- “The Platform Committee shall consist of 20 members selected as follows:*

When the Credentials Committee begins its work, an assigned representative of the committee will contact each state chair about the process of submitting delegate lists. The committee will meet in Columbus the day before the convention opens, and its work continues throughout the convention until the very last session.

LP Bylaws Article 12.4 states:

- “The Credentials Committee, composed of ten members, shall be selected as follows.*
- a. Five members chosen by the National Committee no later than six months before a Regular Convention.*
 - b. One member by each of the five affiliate parties having the largest sustaining memberships as determined for Convention delegate allocations at the most recent Regular Convention. These shall be selected by each of the affiliate parties no later than one month prior to the Regular Convention.”*

DELEGATE ALLOCATION TABLE

The following table lists the number of delegates each affiliate is entitled to at the 2014 convention (blue column). See the Bylaws Articles 11.4 and 11.5 for the allocation methodology.

Use the 'Percent of Members' column (yellow) of this table to form representative regions for the Libertarian National Committee. One LNC representative is authorized for each 10% of total party membership that is contained within the affiliates. There is an important note at the end of this table regarding the nuances of the calculation.

IMPORTANT NOTE: You may wonder why there are slight differences in the percentages given in the region formation column (in yellow) versus the delegate allocation column right beside it. The numerator for each is the same, the number of sustaining members in that state. The difference is in the denominator.

For delegate allocation (and determining which states get to make committee appointments), the denominator is the total number of sustaining members, which is 13,505. For region formation, however, the denominator excludes the 81 people in the "OTHER" row who are not tied to a particular state, so $13,505 - 81 = 13,424$. If you are checking your potential region formation status, either use the yellow percent column above, or if you prefer to add the number of members and divide it out yourself remember to use the 13,424 denominator rather than 13,505.

This design means that the 81 people who reside out of the country or don't have addresses on file don't dilute the ability of the state affiliates to form a theoretical 10 regions of exactly 10% each. In reality, of course, the regions don't have exactly 10%. They have a little over, and we usually end up with 9 region reps.
